- Take attendance during homeroom and report absences as normal.
- No food or drink in the classrooms without permission from the principal.
- Students will be given EXACTLY 120 minutes to take exams. This does not include time for the distribution or collection of materials. A single chime bell will signal the start and end of testing time.
- Students are not to be dismissed until the end of each period WHEN THE BELL RINGS.
- **Students requesting early dismissal during exams must submit requests by Tuesday, 6/13, 8am. All early dismissal requests during exam week must be approved by the principal in advance.**
- All lunch study sessions and club meetings are suspended during exam week. This will provide time for students to meet with teachers, as needed.
- Make up for missed exams will be on the last day of school - Monday, 6/19; location TBD.

Special Instructions

1. **Seniors must be done with finals and have passing grades in your classes by Noon on Thursday, 6/15, in order for them to participate in any Senior Redesign activities, including graduation practice.**
2. Students making up missed exams on Monday, 6/19, will follow a standard exam schedule (i.e. study, exam, lunch, study, exam, dismissal); location TBD.
3. Students who miss more than one day of exams will need to make special arrangements. Please notify the guidance counselor and principal.
4. The following special considerations need to be made:
 - a. Spanish students would need to take the oral portion of their test at lunch unless the teacher has an administrative duty period when the student is making up the exam. Any Spanish teacher who needs to be relieved of their lunch duty to administer the oral section of the exam will be provided coverage.
 - b. Students who have questions during the exam should be instructed to mark those areas until the teacher is able to see the student during their administrative duty period or at extra help during the lunch period.
 - c. Anyone who feels strongly that he/she will need more than 10 minutes to give students initial instructions should notify the principal ASAP.

Exam Bell Schedule: Please review the Exam Week bell schedule for Tuesday, 6/13, through Friday, 6/16. Please pay close attention to the dismissal times following the exam periods... students are NOT dismissed at the end of the exam period. Students are dismissed 10 minutes AFTER the exam period ends.
